| Nota di contenuto | The construction of a terrorist under Article 1 of the Convention relating to the status of refugees / Patricia Tuitt -- Manufacturing fear : examining the social component of anti-immigration policies within counter-terrorism discourse / Selina March -- Guilty by association : contrasting disciplinary views on the fairness of 'secret trials' of 'terrorists' / John R. Campbell -- Refugee politics, asylum, and extremism / Christopher McDowell -- Complicity in exclusion for terrorism : are the parameters too broad? / Joseph Rikhof -- Border securitisation, anti-terrorism, and exclusion from refugee protection in Australia / Peter Billings and Rebecca Ananian-Welsh -- Prosecution and exclusion for terrorism in international and national law / James C. Simeon -- Exclusion from asylum on the basis of criminality : the United Kingdom's response and its broader international law context / Mark Symes -- Asylum-seekers as potential terrorists (?) / Anita Nagy-Nadasdi and Barbara Kohalmi -- Caught between unworthiness and exclusion : asylum applicants and refugees suspected of terrorism in Swiss law and practice / Nula Frei and Constantin Hruschka -- An introduction to the common security narrative of terrorism and asylum, and its influence on Austrian migration law / Julia Kienast -- Conclusions : concluding thoughts and reflections on terrorism, asylum, and exclusion from international protection / James C. Simeon. |
| Sommario/riassunto | Terrorism and Asylum , edited by James C. Simeon, explores terrorism and asylum in all its interrelated and variable aspects, and |

permutations. The critical role terrorism plays as a driver in forced displacement, within the context of protracted armed conflict and extreme political violence, is analyzed. Exclusion from refugee protection for the alleged commission of terrorist activities is thoroughly interrogated. Populist politicians' blatant use of the "fear of terrorism" to further their public policy security agenda and to limit access to refugee protection is scrutinized. The principal issues and concerns regarding terrorism and asylum and how these might be addressed, in the public interest while, at the same time, protecting and advancing the human rights and dignity of everyone are offered.
