Nota di contenuto	Reimagining tomorrow -- The creative spark -- Productivity--who can keep up? -- Side by side--the multigenerational workforce -- Grey ambition -- The changing face of marriage -- The seventy-year itch -- The new world of parenting -- The near frontier -- Making it happen.
Sommario/riassunto	With longer life spans, adult vigor can be extended well into the ninth decade of life. What does this mean for us as individuals and as a society? From re-imagining the workplace to rethinking marriage, sex, and social connections, this book examines how our institutions and attitudes must change to accommodate our new longer lives.
