Sommario/riassunto	The New York Times bestseller author of Dangerous Minds has a new way to engage students LouAnne Johnson's newest book is a collection of fun and simple educational icebreaker activities that get students excited and engaged from the very first minute of class. These activities are great to use with students at all levels, and many of the activities include variations and modifications for different groups. Research has shown that the use of icebreakers increases student motivation by creating an emotional connection between the student and school. In as little as five
