Sommario/riassunto	Negotiating Ethical Challenges in Youth Research brings together contributors from across the world to explore real-life ethical dilemmas faced by researchers working with young people in a range of social science disciplines. Unlike literature that tends to discuss youth research at an abstracted and exalted level, this volume aims to make the basic principles and guidelines of youth research more 'real.' By openly discussing actual challenges that researchers have experienced in the course of conducting their fieldwork or interpreting their findings, this collection provides the
