| Sommario/riassunto | Picking up where the best-selling Bare Bones Young Adult Services left off, this exciting new book has an ambitious intent—to help libraries, with their communities, develop their teens into healthy, competent, and caring adults. Applying the tools in New Planning for Results to the goals outlined in Information Power, YALSA has teamed up with writer Patrick Jones to provide direction on how to deliver YA service that is proactive and holistic. Approaching the service mission holistically means linking the developmental needs and assets of these young adults with the overarching goals of the I |
