Sommario/riassunto	"The essays in this volume bring together the views of distinguished scholars from Canada and the United States to discuss the contemporary meaning of antisemitism - a pressing problem not only in the Middle East and Europe, but in North America as well. The essays

map the terrain of antisemitic thought and practice, make important distinctions between expressions of antisemitism across time and space, and put various strategies of response into critical perspective."

Sommario/riassunto	Thinking and Practicing Reconciliation asserts that literary representations of conflict offer important insights into processes of resolution and practices of reconciliation, and that it is crucial to bring these debates into the post-secondary classroom. The essays collected here aim to help teachers think deeply about the ways in which we can productively integrate literature on/as reconciliation into our curricula. Until recently, scholarship on teaching and learning in higher education h...
