**Sommario/riassunto**

Authored by two passionate psychologists and educators, *Book Smart: How to Develop and Support Successful, Motivated Readers* is a how-to guide rich with stories, lessons, activities, and ideas aimed at supporting reading development and addressing the broad range of interpersonal, social, emotional, and motivational skills that can be fostered by reading with young children. The early chapters in this book will help you get your child ready for school and ready to read, and the later chapters will help you foster your child's lifelong love of reading. Throughout the book, the authors also prov
