Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Contents; Preface; Acknowledgements; The Lessons of Leonardo; The Problem of Therapy; The Problem of Logic; The Problem of Theory; The Problem of Culture; The Failure of Psychohistory; Notes; Index
Sommario/riassunto	Studies the burgeoning field of psychohistory - from Freud, its primogenitor, to its present-day academic practitioners - and argues that little, if any, psychohistory is good history. The author points out the pitfalls, sheer irrationality, and ultimately a historical nature of this mode of historical inquiry.
