Nota di contenuto	Cover; Title Page; Copyright Page; Contents; Introduction; Preface; Letters of a Soldier
Sommario/riassunto	In March 1915, a young French artist-turned soldier went missing in action. He left behind a remarkable series of letters which, due to wartime security, had to be edited and published anonymously under the title Letters of a Soldier 1914-1915. This powerful volume was for many years out of print, but this new edition corrects that unhappy situation and provides an English speaking readership with a rare and much needed insight into what it meant to experience the Great War from the sharp end during the desperate struggles of the French Army fighting for its survival in 1914 and 1915.
