Sommario/riassunto	Art Therapy for Groups provides detailed guidance on how to set up and run theme-based art therapy groups and discusses factors affecting different client groups. The second half of the book consists of nearly 400 themes and practical exercises to use with groups, set out in sections ranging from personal work to group interactive exercises. This updated second edition includes: * new material on race, culture and diversity* a chapter on recording, evaluation and evidence-based practice* a survey of literature on art therapy groups* seventy new themes* an
