Sommario/riassunto

Oakeshott's memorable lectures on the history of political thought, delivered each year at the London School of Economics, will now be available in print for the first time as Volume II of his Selected Writings. Based on manuscripts in the LSE archive for 1966-67, the last year of Oakeshott's tenure as Professor of Political Science, these thirty lectures deal with Greek, Roman, mediaeval, and modern European political thought in a uniquely accessible manner. Scholars familiar with Oakeshott...
