Nota di contenuto	Liberty party gender ideologies -- From liberty to free soil : gender and emancipation -- Antislavery women and the triumph of domestic feminism -- Democrats and the defense of patriarchy -- Gender in the 1856 Republican campaign -- Republican women and the 1856 election -- Republican gender ideology in 1860.
Sommario/riassunto	By exploring the intersection of gender and politics in the antebellum North, Michael Pierson examines how antislavery political parties capitalized on the emerging family practices and ideologies that accompanied the market revolution. From the birth of the Liberty party in 1840 through the election of Republican Abraham Lincoln in 1860, antislavery parties celebrated the social practices of modernizing northern families. In an era of social transformations, they attacked their Democratic foes as defenders of an older, less egalitarian patriarchal world. In ways rarely before seen in A
