Sommario/riassunto

This book highlights that language matters permeate all areas of higher education and that language matters for everyone involved in academic institutions: in policy, in teaching and learning, in administration, in research and in leadership. The chapters in this volume address national, institutional and local levels, and range from legal texts to students' and teachers' stories across disciplines. It provides a useful picture for all those who work in the various fields of higher education. Contributors are: Britt-Marie Apelgren, Tove Bull, Josep Maria Cots, Ann-Marie Eriksson, Sylva Frisk, Lidia Gallego-Balsa, Peter Garrett, Linnea Hanell, Luke Holmes, Niina Hynninen, Kathrin Kaufhold, Maria Kuteeva, Ragnhild Ljosland, Heidi Rontu, Taina Saarinen, Linus Salo and Susanne Stromberg Jamsvi.
