Conclusion and Where to Go from Here?; References; Index; About the Author
Sommario/riassunto	In The New Minorities of Europe: Social Cohesion in the European Union, Michael Johns looks to intra-EU migration as a way to analyze our understanding issues such as minorities, free movement, and rights. Tracing the development of free movement in the EU and the increasing challenges migrants face across Europe, this book stresses the potential threats facing the EU if the issues surrounding intra-EU migration are not addressed.
