Making a Bad Situation Worse

Sommario/riassunto

Slandered as irresponsible, deadbeat dads, nonresident fathers are a greatly misunderstood population. These fathers are overlooked in discussions of poverty and economic vulnerability-often being viewed as the cause of social problems, rather than as having been abandoned by society. In *Failing our Fathers*, Ron Mincy and his colleagues present a more comprehensive picture of how these men face significant obstacles and explore unintended effects of policies designed to secure financial support for their children, the effectiveness of the few policies that have been designed to offer relief. A
