	Nota di bibliografia	Includes bibliographical references and index.
	Sommario/riassunto	This IBM Redbooks publication provides advice for Business Partners or other technical people about how to plan, implement, and demonstrate IBM Tivoli Storage Manager Version 5.3 in a proof-of-concept simulated environment. This environment can be used to demonstrate the capabilities of the IBM Tivoli Storage Manager solutions using customer data, in order to gain customer acceptance for the next phase of the sell cycle to engage the Business Partner in a real proof-of-concept of IBM Tivoli Storage Manager. Please note that the additional material referenced in the text is not available from IBM.
