Conclusions -- Appendix 1: A critique of the orthodox histories of sociology -- Appendix 2: The autobiographical narratives -- Bibliography -- Index.
Sommario/riassunto	This book explores the achievements of British feminist sociology in theory, methods and empirical research. It outlines the barriers to the development of feminism and explores contemporary challenges. It provides an unrivalled guide to the origins of feminism in the discipline of sociology, analyses the uneasy relationships between feminists and

the founding fathers and elucidates the opportunities and challenges presented by post-modernism.
