Sommario/riassunto	The Gerontological Nurse Certification Review is an invaluable reference and certification test review guide for nurses preparing for RN Gerontological certification. Students studying gerontology, teachers preparing gerontology classes, and RNs working with older adults will also find this a practical and useful resource. The text presents information about preparing for the certification exam, a comprehensive compilation of content specific to gerontology, and a test bank of questions specifically developed for the RN. Why this is the only test review you need...; Developed to address all a
