Sommario/riassunto	The A to Z of Japanese Business is an examination of the origins and characteristics of Japan's business culture. This handy reference book includes most of the important words or company names that foreign business people visiting Japan might encounter and provides an overview of Japanese corporate culture both from an historical standpoint and with reference to its most distinctive features as they affect organization and management. This is accomplished through its historical chronology, various appendixes offering lists of business expressions that are in daily use along with a selection o
