Sommario/riassunto	Wherever I Go I'll Always Be a Loyal American is the story of how the Seattle public schools responded to the news of its Japanese American (Nisei) students' internment upon the signing of Executive Order 9066 by President Franklin D. Roosevelt on February 14, 1942. Drawing upon previously untapped letters and compositions written by the students themselves during the time in which the bombing of Pearl Harbor and the internment order took place, Pak explores how the

schools and their students attempted to cope with evident contradiction and dissonance in democracy and citizenship. E
