Sommario/riassunto	Practising Social Inclusion presents what we know about what works, and why, in promoting social inclusion and practising in a socially inclusive way. Contributing to the growing debates on social inclusion, this book moves beyond discussion of who it is that is socially excluded and the processes of exclusion. It draws on research and reflective practice to answer the vital question of how to actually work towards inclusion and includes five sections looking at different arenas for practice: policy; programme design; service delivery; community life; and research.Relevant to all those working
