Sommario/riassunto

This guide contains 92 ready-to-use, between-session assignments designed to fit virtually every therapeutic mode. Featuring new and updated assignments and exercises that coordinate with evidence-based treatment, the assignments found in this reference are grouped by behavioral problems including depression, low self esteem, anxiety, dependency, eating disorder, and phase of life problems. An accompanying CD-ROM allows clinicians to customize the assignments to fit a particular client need or treatment situation. The companion CD-ROM is not included as part of the e-book file, but is availabl
