Pubbl/distr/stampa	Berkeley, : University of California Press New York, : Milbank Memorial Fund, c2008
ISBN	1-281-38554-9 9786611385545 0-520-93468-7
Edizione	[1st ed.]
Descrizione fisica	1 online resource (271 p.)
Collana	California/Milbank books on health and the public ; ; 19
Disciplina	362.1/0425
Soggetti	Medical care - United States - Finance - History - 20th century Health care reform - United States - History - 20th century
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. 211-229) and index.
Nota di contenuto	The professional regime -- Precursors of change -- The triumph of market theory -- The Federal Trade Commission takes the lead -- The AMA case -- A question of jurisdiction -- Drawing the line between clinical and business practices -- The quest for antitrust relief -- The demonization of managed care.
Sommario/riassunto	America's market-based health care system, unique among the nations of the world, is in large part the product of an obscure, yet profound, revolution that overthrew the medical monopoly in the late 1970's. In this lucid, balanced account, Carl F. Ameringer tells how this revolution came into being when the U.S. Supreme Court and Congress prompted the antitrust agencies of the federal government-the Federal Trade Commission and the Justice Department-to change the rules of the health care system. Ameringer lays out the key events that led up to this regime change; explores its broader social, political, and economic contexts; examines the views of both its proponents and opponents; and considers its current trajectory.
