Sommario/riassunto	Preparing Principals for a Changing World provides a hands-on

resource for creating and implementing effective policies and programs for developing expert school leaders. Written by acclaimed author and educator Linda Darling-Hammond and experts Debra Meyerson, Michelle LaPointe, and Margaret Terry Orr, this important book examines the characteristics of successful educational leadership programs and offers concrete recommendations to improve programs nationwide. In a study funded by the Wallace Foundation, Darling-Hammond and the team examined eight exemplary principal development
