| Nota di bibliografia    | Includes bibliographical references (p. 131-138) and indexes.   |
| Nota di contenuto       | Culture, the client and the practitioner in child protection work -- Culturally reflexive responses in abuse work -- Ethnic culture, child protection and the professional environment -- Childhood cultures, care and protection -- Family cultures and protecting children -- Cultures of risk, offending and good lives -- Culturally reflexive theory and practice in child protection -- Final thoughts. |
| Sommario/riassunto      | Culture and Child Protection is a concise exploration of the close links between social service practices and cultural values which offers a culturally sensitive model of child protection practice. The authors demonstrate the ways in which a combination of personal, professional and societal attitudes often influence practice decisions.  |
