Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references (p. [199]-208) and indexes.
Nota di contenuto	Half Title: Grammaticalization and English Complex Prepositions; Title Page; Copyright; Dedication; Contents; Figures; Tables; Acknowledgements; Abbreviations; 1 Introduction; 2 Data collection and research methodology; 3 Complex prepositions; 4 Grammaticalization and complex prepositions; 5 Complex prepositions; 6 Complex prepositions in Present-day English; 7 In terms of A new discourse marker; 8 Are low-frequency complex prepositions grammaticalized?; 9 Conclusion; Appendix I; Appendix II; Notes; Bibliography; Author index; Subject index
Sommario/riassunto	What is a grammatical unit? How does grammatical structure evolve? How can we best investigate the mental representation of grammar? What is the connection between language use and language structure? This book aims to help answer such questions by presenting a detailed analysis of English complex prepositions (e.g. in spite of or with respect to) on the basis of large amounts of authentic language data dating from the Middle Ages until today.
