Sommario/riassunto	Modern social thought ranges widely from the social sciences to philosophy, political theories and doctrines, cultural ideas and movements, and the influence of the natural sciences.Provides an authoritative overview of the main themes of social thought. Long essays and entries give full coverage to each topic. Covers major currents of thought, philosophical and cultural trends, and the individual social sciences from anthropology to welfare economics. New edition updates about 200 entries and includes new entries, suggestions for further reading, and a
