Descrizione fisica	1 online resource (157 pages)
Disciplina	913
Soggetti	Excavations (Archaeology)
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Sommario/riassunto	This book explores the upper valley of the Tigris during antiquity. The area is little known to scholarship, and study is currently handicapped by the security situation in southeast Turkey and by the imminent completion of the Ilisu dam that will lead to the destruction of many archaeological sites, some of which have not been investigated.
