Nota di contenuto	Introduction -- Part I: Rio de Janeiro : the marvelous city and its communities. The decline of poverty and the rise of violence -- Living in the Favelas in the twenty first century -- Communities under fire -- Voices of hope and renewal -- Voices of community leaders -- Voices of public security officials. Security for whom? -- Voices of police officers -- Voices of government officials.
Sommario/riassunto	For all of Brazil's efforts to reduce poverty-and its progress-the favelas in Rio de Janeiro still house one-third of the city's poor, and violence permeates every aspect of the city. As urban drug gangs and police wage war in the streets, favela residents who are especially vulnerable live in fear of being caught in the crossfire. Politicians, human rights activists, and security authorities have been working to minimize the social and economic problems at the root of this ""war.""Living in the Crossfire presents impassioned testimony from officials, residents, and othe
