Sommario/riassunto

"One of the five books in the Mental Health and Wellbeing Toolkit, this practical resource focuses on the topic of 'Emotional Literacy' and how to support children and young people on a voyage of self-discovery where they learn to be their own best friend. The book offers research-driven, practical strategies, resources and lesson plans to support educators and health professionals. Chapters span key topics including Recognising Emotions, Understanding Emotions, Self-Regulation and Empathy. This is a resource book for practitioners looking to have a positive impact on the mental health and wellbeing of the children and young people in their care; both now and in the future" --
