Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Killing many and killing fewer -- Deciding guilt -- Sentencing to death -- Choosing life over death -- The turning point -- Shifting narratives of state killing -- Soft-peddling harsh punishment -- Conclusion: life goes on.
Sommario/riassunto	China's infamous death penalty record is the product of firm Party-state control and policy-setting. Though during the 1980s and 1990s,

the Party's emphasis was on "kill many," in the 2000s the direction of policy began to move toward "kill fewer." This book details the policies, institutions, and story behind the reform of the death penalty.
