

1. Record Nr.	UNINA9910825903503321
Titolo	The best intentions : unintended pregnancy and the well-being of children and families // Committee on Unintended Pregnancy, Division of Health Promotion and Disease Prevention, Institute of Medicine ; Sarah S. Brown and Leon Eisenberg, editors
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1995
ISBN	0-309-17654-9 1-280-19330-1 9786610193301 0-309-55637-6 0-585-09841-7
Edizione	[1st ed.]
Descrizione fisica	ix, 380 p. : ill
Altri autori (Persone)	BrownSarah S EisenbergLeon <1922-2009.>
Disciplina	304.6/66/0973
Soggetti	Pregnancy, Unwanted - Government policy - United States Birth control - Government policy - United States Birth control clinics - Utilization - United States
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	The Best Intentions -- Copyright -- Acknowledgments -- Contents -- The Best Intentions -- Summary -- COMMITTEE RECOMMENDATIONS -- The Campaign to Reduce Unintended Pregnancy -- Campaign Leadership -- 1 Introduction -- FOCUS OF THIS REPORT -- STUDY METHODS AND REPORT ORGANIZATION -- 2 Demography of Unintended Pregnancy -- TERMINOLOGY -- PERCENTAGE RATES OF UNINTENDED PREGNANCY -- WOMEN AT RISK OF UNINTENDED PREGNANCY -- WOMEN WHO HAVE UNINTENDED PREGNANCIES -- TRENDS IN UNINTENDED PREGNANCY -- Overall Trends for All Women -- Trends Among Currently Married Women -- Trends Among Never-Married Women -- Trends in Births Unwanted at Conception -- THE ROLE OF ABORTION -- Factors That Affect Who Obtains an Abortion -- INTERNATIONAL COMPARISONS -- U.S. Abortion Rates Versus Other Western Democracies -- CONCLUSION -- REFERENCES -- 3

Consequences of Unintended Pregnancy -- ABORTION AS A  
CONSEQUENCE OF UNINTENDED PREGNANCY -- Medical Complications  
-- Rates of Complications -- Psychological Issues -- Political Issues --  
MATERNAL DEMOGRAPHIC STATUS -- Adolescent Childbearing:  
Socioeconomic Issues -- Adolescent Childbearing: Medical Issues --  
Childbearing at Older Ages: Socioeconomic and Medical Issues --  
Childbearing by Single Women -- THE EFFECTS OF INTENDEDNESS --  
Methodological Concerns -- Prenatal Care -- Behavioral Risks in  
Pregnancy -- Low Birthweight -- Infant Mortality -- Poor Child Health  
and Development -- Consequences for the Parents -- Mothers --  
Fathers -- PRECONCEPTION CARE -- THE DEMOGRAPHIC IMPLICATIONS  
OF REDUCING UNINTENDED PREGNANCY -- CONCLUSION --  
REFERENCES -- 4 Patterns of Contraceptive Use -- PATTERNS OF  
CONTRACEPTIVE USE AND UNINTENDED PREGNANCY -- Unintended  
Pregnancy Among Women Using No Contraception (Group C) --  
Unintended Pregnancy Among Women Using Contraception (Groups A  
and B) -- Contraceptive Sterilization.  
Reversible Contraception -- Current Choices Among Reversible  
Methods -- Reversible Contraceptive Methods: Types and Trends --  
CONTRACEPTIVE USE AMONG MEN -- Use of Male Methods of  
Contraception at First Intercourse -- Use of Male Methods by Married  
Men -- Age and Condom Use -- Race, Ethnicity, and Condom Use --  
Socioeconomic Status and Condom Use -- USE OF DUAL  
CONTRACEPTIVE METHODS -- SEXUALLY TRANSMITTED DISEASES --  
CONCLUSION -- REFERENCES -- 5 Basic Requirements: Contraceptive  
Knowledge and Access -- KNOWLEDGE, SKILLS, AND SCHOOL-BASED  
EDUCATION -- Contraceptive Knowledge -- Contraceptive Skills --  
School-Based Education and Information -- ACCESS TO  
CONTRACEPTION -- Data on Overall Access -- Financial Barriers --  
Private Insurance -- Health Maintenance Organizations -- Public Sector  
Programs -- Contraceptive Pricing -- The Provider Base for  
Contraception -- Bureaucratic Hurdles -- MISSED OPPORTUNITIES --  
CONCLUSION -- REFERENCES -- 6 Personal and Interpersonal  
Determinants of Contraceptive Use -- A COMMENT ON AVAILABLE  
DATA -- UNDERLYING THEMES -- SINGLE FACTOR INVESTIGATIONS --  
Personality Characteristics -- Attitudes and Feelings About Sexuality  
and Fertility -- Attitudes and Feelings About Contraceptive Methods --  
Substance Abuse, Peer Influences and Family Relationships -- Alcohol  
and Substance Use -- Parents and Peers -- Partner and Couple Issues  
-- CONCLUSION -- REFERENCES -- 7 Socioeconomic and Cultural  
Influences on Contraceptive Use -- DIVERSITY IN U.S. CULTURE --  
Cultural and Ethnic Diversity -- Religious and Political Diversity --  
CONFLICTING VIEWS ABOUT SEXUALITY -- The Media -- International  
Comparisons -- ECONOMIC INFLUENCES ON FERTILITY -- AFDC and  
Other Transfer Programs -- Potential Influences -- Empirical Findings  
-- RACISM -- Race, Welfare, and Birth Control -- Genocide --  
VIOLENCE -- GENDER BIAS -- OPPOSITION TO ABORTION.  
CONCLUSION -- REFERENCES -- 8 Programs to Reduce Unintended  
Pregnancy -- NATIONAL PROGRAMS -- LOCAL PROGRAMS -- Historical  
Perspective -- Program Search and Selection -- Evaluated Programs --  
A Comment on Program Evaluation -- Cost -- Methodological Issues --  
Social Environment -- CROSS-CUTTING THEMES -- THE FISCAL IMPACT  
OF FAMILY PLANNING FUNDING -- Program Reactions to Funding  
Withdrawal -- Treatment of Mistimed and Unwanted Pregnancies --  
Program Eligibility Versus Participation -- Incomplete Accounting for  
Public Revenue Effects -- CONCLUSION -- REFERENCES10 -- 9  
Conclusions and Recommendations -- A NEW SOCIAL NORM -- THE  
CAMPAIGN TO REDUCE UNINTENDED PREGNANCY -- Campaign Goal 1:

Improve knowledge about contraception, unintended pregnancy, and reproductive health. -- Campaign Goal 2: Increase access to contraception. -- Campaign Goal 3: Explicitly address the major roles that feelings, attitudes, and motivation play ... -- Campaign Goal 4: Develop and scrupulously evaluate a variety of local programs to reduce unintended ... -- Campaign Goal 5: Stimulate research to (a) develop new contraceptive methods for both men and women ... -- CAMPAIGN LEADERSHIP -- REFERENCES -- Appendixes -- A Commissioned and Contributed Papers -- B The Political Storms over Family Planning: Supplement to Chapters 1 and 7 -- Historical Background -- Conclusion -- C The National Survey of Family Growth: Principal Source of Statistics on Unintended Pregnancy: Supplement to Chapter 2 -- Definitions and Measurement Issues -- NSFG Plans for the Future -- Improving Abortion Reporting -- Clarifying Questions on Unwanted and Mistimed Pregnancies -- Measuring Ambivalence about Pregnancy -- Improving Questions on Unplanned Pregnancies and Use of Contraception -- REFERENCES -- D Tables of Odds Ratios: Supplement to Chapter 3. E Technical Notes on the Recalculation Exercise: Supplement to Chapter 3 -- Births Unwanted at Conception -- Births Mistimed at Conception -- F Summaries of Evaluated Programs: Supplement to Chapter 8 -- Community of Caring -- Primary Reference: -- Condom Mailing Program -- Primary Reference: -- Elmira Nurse Home Visiting Program -- Primary References: -- Facts and Feelings -- Primary Reference: -- Girls Incorporated Preventing Adolescent Pregnancy -- Primary References: -- Group Cognitive Behavior Curriculum -- Primary References: -- McCabe Center -- Primary References: -- New Chance -- Primary References: -- The Ounce of Prevention Fund's Parents Too Soon Program -- Primary Reference: -- Postponing Sexual Involvement -- Primary References: -- Project Redirection -- Primary References: -- Project Taking Charge -- Primary References: -- Reducing the Risk -- Primary References: -- Reproductive Health Screening of Male Adolescents -- Primary References: -- School/Community Program for Sexual Risk Reduction Among Teens -- Primary References: -- Self Center -- Primary References: -- Six School-Based Clinics -- Primary Reference: -- St. Paul School-Based Health Clinics -- Primary References: -- Success Express -- Primary References: -- Summer Training and Education Program -- Primary Reference: -- Teenage Parent Demonstration -- Primary References: -- Teen Outreach Program -- Primary References: -- Teen Talk -- Primary References: -- G Assessing Program Effectiveness and Cost-Effectiveness: Supplement to Chapter 8 -- Assessing Program Effectiveness -- Assessing Cost-Effectiveness -- Cost-Effectiveness in Family Planning -- Dimensions of Cost-Effectiveness -- Translating Service Statistics into Measures of Contraceptive Protection -- Predicting Net Program Effects Without Individual Data -- Estimating the Cost Functions -- Summary -- Conclusions.
