Sommario/riassunto	When Shelley Wachsmann began his analysis of the small ship model excavated by assistants of famed Egyptologist W. M. F. Petrie in Gurob, Egypt, in 1920, he expected to produce a brief monograph that would shed light on the model and the ship type that it represented. Instead, Wachsmann discovered that the model held clues to the identities and cultures of the enigmatic Sea Peoples, to the religious practices of ancient Egypt and Greece, and to the oared ships used by the Bronze

Age Mycenaean Greeks. Although found in Egypt, the prototype of the Gurob model was clearly an Aegean-
