Sommario/riassunto	Once a colossus dominating the globe, Europe today is a doddering convalescent. Sluggish economic growth, high unemployment, an addiction to expensive social welfare entitlements, a dwindling birth-rate among native Europeans, and most important, an increasing Islamic immigrant population chronically underemployed yet demographically prolific--all point to a future in which Europe will be transformed beyond recognition, a shrinking museum culture riddled with ever-expanding Islamist enclaves. Decline and Fall tells the story of this decline by focusing on the larger cultural dysfunctions
