Sommario/riassunto	Finding out your unborn child has been diagnosed with a poor or fatal prenatal diagnosis is devastating news sure to reverberate through your

family's life forever. The emotional aspects of such a pregnancy and the practical implications of an adverse diagnosis are difficult to navigate. The Prenatal Bombshell is a warm and understanding companion guide through the journey from diagnosis and beyond once you've decided to either continue or end your precious pregnancy. Issues such as managing the pregnancy, delivery, termination, creating memories, future babies, and the long term impact of suc
