Nota di contenuto	Cover; Half-title Page; Title Page; Copyright; Dedication; Contents; Cast; Arthur's World
Sommario/riassunto	Arthur is an OAP, hiding out from the world in his grotty top-floor council flat. He'd move - if it weren't for his missing son. Today is Michael's twentieth birthday - will he finally come home? But the person Arthur finally lets in turns out to be someone else entirely. This teenager is seeking refuge from The Fights - the raging riots sparked years ago by a notorious computer game.
