Sommario/riassunto	Understanding the Religions of the World offers a new approach to the study of religion which moves away from the purely descriptive and instead helps students understand how religions actually 'work'. Covering all the main faith traditions, it combines historical context, contemporary beliefs and practices, and original theory, with numerous study features and valuable overviews. A major new student-focused textbook concentrating on contemporary practices and beliefs of world religions Brings together a team of experts to provide a uniquely comprehensive coverage of religious traditions, i
