

1. Record Nr.	UNINA9910825987403321
Autore	Barlow D (David), <1954->
Titolo	Chemistry of drugs // David Barlow, David Mountford
Pubbl/distr/stampa	London, England ; ; Chicago, Illinois : , : Pharmaceutical Press, , 2014 ©2014
ISBN	0-85711-159-0
Descrizione fisica	1 online resource (273 p.)
Collana	Fasttrack
Disciplina	615.1076
Soggetti	Pharmaceutical chemistry - Examinations Drugs - Design - Examinations Pharmacy - Examinations
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Includes index.
Sommario/riassunto	Written by experts in the field and furnished with over 300 figures, this well illustrated resource offers an accessible introduction to subjects that are fundamental to pharmaceutical science. It covers all the key aspects of organic chemistry, elementary medicinal chemistry, and biochemistry, required by undergraduate pharmacy and pharmaceutical sciences students.
