Arrigo 11 Constitutive Rhetoric and Constitutive Criminology: The Significance of The Virtual Corpse Julie Borkin, Stuart Henry, and Dragan MilovanovicIndex; About the Editors and Contributors
Sommario/riassunto	Advancing Critical Criminology constitutes a timely addition to the

growing body of knowledge on critical criminology scholarship. DeKeseredy and Perry have assembled a volume that provides scholars with an in-depth review of the extant literature on several major branches of criminology as well as examples of how critical criminologists apply their theoretical perspectives to substantive topics, such as drugs, interpersonal violence, and rural crime.
