Nota di bibliografia Includes bibliographical references (pages 301-322) and indexes. Sommario/riassunto "This thoroughly revised and updated classic once again presents

aguide to understanding, designing and conducting a qualitativeresearch study. The fourth edition retains the readerfriendly, jargon-free style, making the book accessible to both novice and experiencedresearchers. While the book is practical guide to design and implementation of a qualitative research study, it also helpsreaders understand the theoretical and philosophical underpinnings of this research paradigm. Drawing on the latest literature as well as both authors'experience with conducting and teaching qualitative research, thefourth edition includes new material on case study research andaction research; discussion of online data sources (video, email, skype); updated discussion of data analysis software packages anduses; new discussion of data analysis strategies, including narrative analysis

and poetic analysis; and a section on multipleways of presenting qualitative research findings. References, examples, and quotes have all been updated throughout the book"--
