Sommario/riassunto	""A terrific read not only for senior leaders and executives but also for employees seeking growth in complex organizations. Goldstein and Read dissect the interpersonal dynamics that affect a company's performance, provide a framework to understand the games that are commonly played in businesses around the world, and offer practical tools to correct these behaviors and improve the organization's effectiveness.""-Jacopo Bracco, executive vice president, DIRECTV Latin America ""Whether you are an employee, manager, or CEO, this book will help you uncover the games that are going o
