Sommario/riassunto	In this book, Yufang Ho compares the text style difference between the two versions of John Fowles' The Magus , exemplifying the methodological principles and analytic practices of the corpus stylistic approach. The Magus was first published in 1966 and was revised and republished by Fowles in 1977. Fowles' own comment on the second edition was that it was 'rather more than a stylistic revision.' The book explores how the revised version is linguistically different from the original, especially in terms of point of view (re) representation. The corpus stylistic approach adopted combines qual
