Sommario/riassunto

This book showcases some of the key thematic issues reported by Asian migrants and sojourners residing abroad, as well as non-Asians living in the Far East. The diverse range and scope of the papers demonstrate the interdisciplinary, convoluted and intertwined perspectives in human transnational movement. The book comprises four thematic sections, in Intercultural Relations and Social Integration, cross-national interactions and the notion of rootedness and nation state among individuals and their families form the nexus of discussion. On Cultural Competency in Workplace and Social Environme
