Sommario/riassunto	The Gadamer Dictionary is a comprehensive and accessible guide to the world of Hans-Georg Gadamer. Meticulously researched and extensively cross-referenced, this unique book covers all his major works, ideas and influences and provides a firm grounding in the central themes of Gadamer's thought. Students will discover a wealth of useful information, analysis and criticism. A-Z entries include clear definitions of all the key terms used in Gadamer's writings and detailed synopses of his key works, including his magnum opus, Truth and Method. The Dictionary also includes entries on Gadamer's maj
