Sommario/riassunto	Considering how much experience there now is in providing supervisor training in the UK, relatively little has been written about it. This book aims to create a lively and readable resource that will be informative and inspirational for those planning for the future of training for supervisors of counsellors, or who create, teach on or apply for supervisor training. The structure and content will invite reflection on the training issues that the authors address. It is intended to be consciously forward looking in a period of rapid development, and is designed to highlight differences between p
