Sommario/riassunto	In Muslim-Christian Polemics across the Mediterranean Diego R. Sarrió Cucarella provides an exposition and analysis of Shihab al-Din al-Qarafi's (d. 684/1285) Splendid Replies to Insolent Questions (al-Ajwiba al-fkhira 'an al-as'ila al-fjira). Written in response to an apology for Christianity by the Melkite Bishop of Sidon, Paul of Antioch, the Splendid Replies is among the most extensive and most important medieval Muslim refutations of Christianity, and the primary significance of this study is to provide detailed access to its argumentation and intellectual context for the first time in a western

language. Moreover, the Introduction and Conclusion creatively situate the work within the challenges of modern-day Christian-Muslim dialogue.
