Chazon -- When the Bell Rings: The Qumran Rituals of Affliction in Context / Daniel Stökl Ben Ezra -- The Dead Sea Scrolls, Qumran, and Ritual Studies / Russell C.D. Arnold.

Sommario/riassunto

The Dead Sea Scrolls enrich many areas of biblical research, as well as the study of ancient and rabbinic Judaism, early Christian and other ancient literatures, languages, and cultures. With nearly all Dead Sea Scrolls published, it is now time to integrate the Dead Sea Scrolls fully into the various disciplines that benefit from them. This two-volume collection of essays answers this need. It represents the proceedings of a conference jointly organized by the Hebrew University of Jerusalem and the University of Vienna in Vienna on February 11–14, 2008.
