The gathering of the transference; Chapter 4. Duet for one? Two people or a couple?; Chapter 5. Separations and the capacity to mourn; Chapter 6. That which couples bring to therapy; Chapter 7. Couple stories and couple dreams; Chapter 8. The uninvited guest; Chapter 9. Hell is oneself, the others merely projections; Chapter 10. Making the best of a bad job; Chapter 11. A sado-masochistic folie a deux Chapter 12. Termination: Othello's version of Eliot's "'two Ways'" REFERENCES; INDEX
Sommario/riassunto	A fascinating and imaginative book combining psychoanalytic theory and literature - in particular classic plays about marriage and married couples - to help couples therapists as they piece together their clients' histories and stories during the therapeutic process. A profound yet accessible guide of interest to clinicians and non-clinicians alike.
