1. Record Nr.   UNINA9910826755503321

   Autore   Ajanki Oskari Heikki

   Titolo   Quadratic vector equations on complex upper half-plane / / Oskari
                      Heikki Ajanki, Laszlo Erdos, Torben Kruger

   Pubbl/distr/stampa Providence, RI : , : American Mathematical Society, , [2019]
                      2019

   ISBN   1-4704-5414-9

   Descrizione fisica 1 online resource (146 pages) : color illustrations

   Collana   Memoirs of the American Mathematical Society, , 0065-9266 ; ;
                      September 2019, volume 261, number 1261

   Classificazione   45Gxx46Txx60B2015B52

   Disciplina   515/.45

   Soggetti   Differential equations - Numerical solutions
                      Stability
                      Vector fields

   Lingua di pubblicazione   Inglese

   Formato   Materiale a stampa

   Livello bibliografico   Monografia

   Note generali   "September 2019, volume 261, number 1261 (fifth of 7 numbers)."

   Nota di bibliografia   Includes bibliographical references.

   Nota di contenuto Set-up and main results -- Local laws for large random matrices --
                      Existence, uniqueness and L²-bound -- Properties of solution --
                      Uniform bounds -- Regularity of solution -- Perturbations when
                      generating density is small -- Behavior of generating density where it is
                      small -- Stability around small minima of generating density.
