

1. Record Nr.	UNINA9910826793503321
Titolo	Dolphins and the tuna industry // Committee on Reducing Porpoise Mortality from Tuna Fishing, Board on Biology, Board on Environmental Studies and Toxicology, Commission on Life Sciences, National Research Council
Pubbl/distr/stampa	Washington, D.C., : National Academy Press, 1992
ISBN	1-280-20310-2 9786610203109 0-309-55610-4 0-585-08535-8
Edizione	[1st ed.]
Descrizione fisica	1 online resource (xii, 176 pages) : illustrations
Disciplina	333.95/9
Soggetti	Tuna fisheries - Environmental aspects Dolphins - Mortality Tuna industry - Environmental aspects
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references (p. 120-128) and index.
Nota di contenuto	Dolphins and the Tuna Industry -- Copyright -- Preface -- Contents -- Executive Summary -- INTRODUCTION -- THE PROBLEM -- THE CURRENT FISHERY -- DOLPHIN MORTALITY ASSOCIATED WITH THE TUNA FISHERY -- U.S. TUNA AND MARINE MAMMAL POLICY AND ECONOMICS -- FISHING GEAR -- BEHAVIOR OF TUNA AND DOLPHINS IN THE ETP -- FACTORS AFFECTING DOLPHIN MORTALITY -- ESTIMATES OF DOLPHIN ABUNDANCE -- TECHNIQUES FOR REDUCING DOLPHIN MORTALITY -- RECOMMENDATIONS -- Recommendations Concerning the ETP Tuna-Dolphin Fishery -- Recommendations for Research on Harvesting Tuna Not in Association with Dolphins -- 1 Introduction -- THE PROBLEM -- BACKGROUND ON REDUCING DOLPHIN MORTALITY FROM TUNA FISHING -- The Current Tuna Fishery and Its Development -- Dolphin Mortality Associated with the Tuna Fishery -- Reducing Dolphin Mortality -- THE COMMITTEE'S STUDY -- 2 Some Policy and Economic Considerations -- U.S. TUNA AND MARINE MAMMAL POLICY -- U.S. Tuna Policy -- IATTC and Tuna Conventions Act -- Fishery

Conservation and Management Act -- U.S. Marine Mammal Policy --  
Marine Mammal Protection Act -- International Policy Context --  
ECONOMIC CONSIDERATIONS -- Recent Tuna-Harvesting Operations --  
Historical Perspective -- Tuna-Processing Operations -- Industrywide  
Trends -- The Effects of Recent Changes -- 3 Background on Fishing  
Gear -- PURSE SEINES -- The Backdown Process -- OTHER FISHING  
METHODS -- Longline Fishing -- Log Fishing -- School Fishing -- 4  
Biology and Ecology of Yellowfin Tuna -- DISTRIBUTION AND STOCK  
STRUCTURE -- PHYSIOLOGY, GROWTH, AND LONGEVITY --  
ABUNDANCE AND SIZE STRUCTURE -- YIELD, POPULATION DYNAMICS,  
AND MANAGEMENT -- 5 The Behavior of Dolphins and Tuna in the ETP  
-- GENERAL DOLPHIN BIOLOGY AND ECOLOGY -- THE TUNA-DOLPHIN  
RELATIONSHIP -- FEEDING BEHAVIOR -- BEHAVIOR OF DOLPHINS AND  
TUNA IN THE TUNA-SEINING OPERATION -- Sighting Dolphin Herds --  
The Chase.  
The Set -- Net Closed and Pursued -- 6 Dolphin Mortality and  
Abundance -- ESTIMATING INCIDENTAL DOLPHIN MORTALITY --  
Methodological Considerations -- Sampling Design -- Ratio Estimates  
-- The Observer Effect -- MORTALITY ESTIMATES FOR 1959-1990 --  
1959-1972 -- 1973-1978 -- 1979-1990 -- FACTORS AFFECTING  
TOTAL MORTALITY ESTIMATES -- Fishing Effort on Dolphins -- Factors  
Directly Affecting Dolphin Mortality -- Catch of Tuna in Set -- Vessel  
Captain -- Species or Stock Caught -- Area of Capture and Habituation  
-- Flag of Vessel -- Time of Capture (Day vs. Night Sets) -- Duration of  
Set -- Presence of Strong Currents -- Occurrence of Malfunctions --  
Alignment of the Fine-Mesh Panel -- Use of Dolphin-Saving Procedures  
-- Relationship Between Number of Vessels and Total Mortality --  
ESTIMATES OF DOLPHIN ABUNDANCE -- SIGNIFICANCE OF THE  
ESTIMATES OF MORTALITY AND ABUNDANCE -- OVERVIEW: THE PAST,  
PRESENT, AND FUTURE -- Historical Summary -- Maintenance and  
Recovery of Dolphin Populations -- 7 Techniques for Reducing Dolphin  
Mortality -- SMALL MODIFICATIONS OF CURRENT METHODS -- Medina  
Double Corkline -- Jet Boat -- Current Profiler -- Pear-Shaped Snap  
Rings -- Small-Mesh Medina Panel -- Third Fine-Mesh Strip -- Safety  
Crook -- MAJOR MODIFICATIONS OF CURRENT METHODS --  
Modifications to Reduce Frequency of Canopies -- Modifications to  
Reduce Frequency of Roll-Ups -- Modifications by Insertion of Barriers  
Between Tuna and Dolphins -- Species Selectivity -- Modifications to  
Improve Escape of Dolphins from the Backdown Channel -- No  
Backdown -- Other Purse-Seine Variations -- POTENTIAL BEHAVIOR-  
BASED RELEASE OF DOLPHINS -- Pre-Backdown Release of Dolphins --  
Backdown Release of Dolphins -- Dolphin Behavior on Release --  
BREAKING THE TUNA-DOLPHIN BOND -- ALTERNATIVE METHODS OF  
LOCATING YELLOWFIN TUNA -- Acoustical Methods -- Other Methods.  
ALTERNATIVES TO DOLPHIN-ASSOCIATED FISHING -- Fish-Aggregating  
Devices -- History and Perspective -- Status -- Potential --  
Conclusions -- Non-Purse-Seine Techniques -- Bait Boats -- Longline  
Fishing -- Midwater Trawls -- Pair Trawls -- Incidental Catch of  
Dolphins in Trawls -- A Hypothetical Trawling Technique for Tuna in  
the ETP -- Gillnets -- REGULATORY ALTERNATIVES -- Immediate  
Prohibition of All Dolphin Mortality from Fishing -- Dolphin Mortality  
Certificates -- Incentives for Tuna Fishing with Alternative Gear -- Price  
Incentives for Fishing on Non-Dolphin-Associated Tuna -- Captain  
Performance Standards -- Training and Evaluation of Fishing Captains  
-- Initial Training -- Measuring the Captains' Performance -- Remedial  
Actions -- 8 Recommendations -- RECOMMENDATIONS CONCERNING  
THE ETP TUNA-DOLPHIN FISHERY -- Vessel-Captain Education,  
Certification, Incentives, and Monitoring -- Modifications of Purse-

Seine Gear and Methods -- Tuna and Dolphin Behavior in and Around the Seine -- The Effects of Chasing Dolphin Herds -- Sunset Set Tests -- Bubble Tests -- The Potential for Maneuvering Tuna and Dolphins Inside the Seine and Dolphin Release-Gate Tests -- Research on Behavior of Tuna and Dolphins -- Oceanographic Correlates -- Simultaneous Tracking of Dolphins and Associated Yellowfin -- Tracking Flotsam-Associated Yellowfin Tuna -- Studies Using Fish-Aggregating Devices -- Satellite Monitoring of Radio-Tagged Dolphins -- RECOMMENDATIONS FOR HARVESTING TUNA NOT IN ASSOCIATION WITH DOLPHINS -- Night Behavior of Tuna and Dolphins -- New Methods of Purse Seining Large Yellowfin Without Encircling Dolphins -- SUMMARY -- References -- Appendix 1 -- Appendix 2 -- Appendix 3 -- NOTICE TO FISHERMEN TAGGED DRIFTING OBJECTS -- Index.

---

Sommario/riassunto

Providing a comprehensive overview of the dolphin-tuna controversy, this book explores the processes of tuna fishing and dolphin mortality, the status of the tuna industry, and the progress made in reducing dolphin mortality through modifications in fishing practice. It is useful for animal protection groups, policymakers, regulators, and others.
